

Thank you!

For visiting

FÅDDMAN

We would like to take the opportunity to thank all our clients and business partners for visiting our stand at this year's PLMA!

The exhibition gave us the opportunity to highlight the wide range of innovative products that Fåddman provides and we also took advantage of the exhibition in order to present the new PURE BEEF SMASHBURGER to be launched on the market this summer!

Warmest regards,

Claus Charmig
